

NORFOLK Labour

Norfolk is a great place to live and grow up, but not everyone benefits equally from what the county has to offer. To tackle inequality and the climate crisis, and lead our recovery from the pandemic, here's what your Norfolk will be like with **Norfolk Labour**.

YOUNG NORFOLK

- County-wide youth service
- Reduced school exclusions
- Restored children's centre services
- Better support for children with disabilities and young people in our care
- No child will go hungry
- Online learning for all children
- Prioritised mental health
- Apprenticeships
- Anti-discrimination and anti-bullying
- All compatible with our commitment to be net carbon zero by 2030.

CARING NORFOLK

- All decisions about you are made with you
- Human rights respected and trust rebuilt
- Care brought back in-house, improving quality, safety, staff pay and working conditions
- Loneliness and isolation tackled
- Warden services in sheltered housing
- Better Carers' Charter
- More funding for unpaid carers.

SAFER NORFOLK

- Funding to tackle domestic abuse and violence
- Stronger enforcement against people organising drug rings, and protecting the vulnerable they exploit
- Zero tolerance of discrimination, harassment, victimisation and scammers, ensuring Norfolk is safe and welcoming for all
- No cuts to Norfolk Fire Service, and fighting any attempt to bring it under the control of the Police and Crime Commissioner.

COMMUNITY NORFOLK

- Communities with a greater say in how their areas develop
- Better transport services for rural areas
- Resources for local initiatives (eg school streets) to improve the environment
- Mental health, suicide prevention, air quality, health checks for people with a learning disability and more dentists are public health priorities
- Basic services available in Council buildings and libraries
- Free entry to museums for Norfolk residents one day a month
- Bereaved family and community support to find a fitting way to mark the lives lost and harm experienced throughout the pandemic.

SUSTAINABLE NORFOLK

- Build back better: our motto as we recover from the pandemic
- All money spent by the Council compatible with our climate and natural environment targets
- Radical transport plan for Norfolk implemented
- Our beautiful countryside and native rare species protected
- Protection for homes against flooding
- Local independent, community and co-operative businesses supported
- Local green jobs and apprenticeships created by our world leading research
- Delivery of ultrafast broadband.

RURAL NORFOLK

- Local communities empowered by people-led planning process and Neighbourhood Planning Teams
- Community ownership and local assets developed
- A thorough 'buy local' approach, harnessing the County Council's buying power to support local enterprise
- Better mobile phone signals, ultrafast broadband and sustainable transport links to recognise the importance of connectivity.
